Dear Parent(s),

Thank you for making the sacrifice to send your child/ children to OLPH. We look forward to a successful, faith-filled education experience for both you and your child

Tuition for the 2022-23 school year is \$5720. By signing this form you agree to pay the tuition and registration fee for the 22/23 school year. Scholarships that are received will be deducted when awarded from the tuition amount.

I/we agree that all payments owed under this Agreement will be paid by the due date corresponding to the payment method. I understand and agree that, regardless of what payment option is selected, I am personally responsible for the payments and for ensuring that the tuition and fees are paid in full. Should I default in making any payment, I understand that the following process will be followed: I will be given 10 calendar days to bring the account to current status or meet with school administration to have an adjusted payment agreement approved (not a guarantee and must be in writing and signed by administration). If within 10 calendar days the account is not brought to current status or an adjusted payment agreement is not approved by the school administration, the school may immediately take any action available and consistent with applicable law in order to collect the unpaid tuition owed by me/us including but not limited to:

Limiting access to classes, limiting access to field trips, extra-curricular or sporting activities, 8<sup>th</sup> grade students will not be allowed to participate in Graduation events, withholding academic transcripts, referral to a collection agency, and/or the institution of a civil lawsuit to recover the unpaid balance.
